

## Interim Code of Conduct for BOYLE CELTIC FOOTBALL CLUB Members During Covid-19

As a response to the COVID-19 crisis, Boyle Celtic Football Club has instigated a specific Code of Conduct for our operations during this period. We will be complying with the FAI guidelines to ensure our members are safe.

Please see below a summary of the new protocols for our club. **Only members and players who agree to abide by the guidelines below will be permitted to play.** If you are found to be in breach of the guidelines you may be asked to leave the facilities.

### YOU MUST STAY AT HOME IF YOU:

- Have been in contact with someone with COVID-19 in the last 14 days
- Have been overseas or exposed to someone with COVID-19 in the last 14 days
- Have flu-like symptoms or are feeling unwell
- Live outside a 20km radius of the club
- Are over 70 years of age or for medical reasons are cocooning during this phase of the reopening

### YOU MUST:

- Check with your GP prior to playing if you are in a high-risk health category
- **Ensure we have up-to-date contact details for you in case contract tracing is required**

### ATTENDING TRAINING/MATCH ACTIVITIES

- Only members will be able to play on club pitches during official training times during this phase.
- Players are to come to training in their own vehicle or in that of a household member. Players cannot carpool to attend training.
- Players must not congregate in car park or on pitches and must maintain distances as per guidelines at the time of training.
- Players should arrive fully kitted out for training as dressing rooms will not be available.
- If using the astro pitch, do not touch gate latches and only a designated coach will open and close these during training sessions. These gates will be disinfected by coach before and after each session.
- Players should not touch training equipment and only goalkeepers are permitted to touch the footballs with their hands. Goalkeepers must only wear their own gloves.
- Coaches will maintain an attendance register for every session
